

WalchaEnergy will be hosting **2 COMMUNITY OPEN INFORMATION EVENINGS** to provide information about the proposed RubyHillsWind project.

## Woolbrook Hall

10<sup>th</sup> May, 2023

4pm to 7pm

## Walcha Showground

11<sup>TH</sup> May, 2023

4pm to 7pm

Open days will provide the opportunity to talk to our project team and learn more about the project and proposed plan.

**Please note:** more of these sessions will occur in the future, if you cannot make these dates please, call our office for an appointment so we can arrange a convenient time and location to meet.

Information on the day –

-  Updates on preliminary environmental assessments to accompany the Scoping Report by the relevant environmental consultants, including:
  - Landscape and Visual
  - Noise and Vibration
  - Biodiversity
  - Social
-  Current Project Layout Maps
-  Opportunity to be involved in surveys to inform environmental assessments
-  General project information, including indicative project timeline
